Week 5 Term 4 Tuesday November 9th 2010

Dear Parents and Friends,

Last Friday Years 3-6 competed at the Rand Super 8 Cricket Carnival. All of the students participated well and had a great time. Thank you to Ritchie Voss and Karla Lieschke for managing the senior cricket team. The junior team won 3 of its 4 games. The seniors won 2 of their 5 games.

Congratulations to the students on the sportsmanship and teamwork they showed throughout the day.

Annual School Report 2010

Each year the school is required to evaluate areas of Educational and Management Practice. This year we are evaluating English and Leadership. Please find attached 2 surveys. We request that each family complete the surveys and return them to school in the plain envelope supplied. As responses are anonymous you are not required to identify yourself.

Please return completed surveys to the school by Friday November 19th. The surveys are to be placed in the tray at the front office. The staff appreciate your interest in the children's education.

School Counsellor Visit

Ms Michele Dupe visited the school today. She will be at Walla Walla again on November 23rd for her final visit for the year.

Meeting of the P&C

A meeting of the P&C will be held in the school library on Monday November 15th at 7 pm. Please come along if you are able as I am sure that the other members would appreciate your attendance.

On the 19th Year 2 will be in the senior classroom during the afternoon session.

A Parent Information Session will be held at 11.00am on Tuesday November 16th. This will be held in the school library. Mrs Julie Lieschke will have information about uniform available for new parents.

Connected Classroom Equipment

The equipment will be installed in the senior classroom on the 22nd and 23rd of November. The equipment consists of an electronic whiteboard, plasma television and computer.

I am sure that this equipment will be a great asset to the school.

Fire Safety Education

Members of the NSW Fire Brigade will visit the school on Thursday November 25th to talk to the senior class about Fire Safety. Their visit will be at 2.00 pm.

Senior Class Musical

The senior class has begun its practice for this year's Presentation Night. I would really appreciate it if all families could help the children to learn their lines.

A costume list will be sent out next week. We need the following items to be used as props. If you are able to lend any of the following items to us we would be very grateful:

- 6 plastic gladioli
- A toilet seat
- Large dumbbells
- A yabbie or fish net on a stick
- A crown
- Red wig

Thanks for your assistance.

Safety Matters

For their own safety all children are to leave the school grounds through the front gate after school. Children who need to cross the road are expected to use the school crossing. Parents who meet their children at school are also requested to use the crossing if necessary.

It is really important that adults set a good example for the children to follow. Thank you for your assistance in this matter.
