Week 8 Term 3 Tuesday September 7th 2010

Dear Parents and Friends,

With only a few weeks remaining in the term, we still have many exciting events planned for the students. Our Stage 2 children are leaving early Wednesday morning to travel to Ballarat. Their final information note has been sent home today.

I would like to thank the parents who helped organise and run the father's day stall last Friday. It was amongst great excitement that the parents managed to sell and wrap presents for a large number of children and I really appreciated their help.

Our Riverina Athletics representatives travelled to Albury on Friday and from all reports, had a really great day. Our relay team finished 4th and in the 800m event, Olivia Hall finished 6th. These are fabulous results at such a high level of competition.

Both the cricket and golf clinics ran smoothly last week and I was impressed by not only the children's obvious ability but also the way everyone was so eager to get in and have a go. Perhaps we have a few budding sport stars in the making.

Finally, it is with great excitement that I can report that I spoke with Mrs Bahr late last week and she has told me that her daughter Kirsten has had a baby girl. Her name is Alicia Bianca and both mum and baby are doing well.

I hope everyone has a great week.

Regards

Des Knight

AFL Day

Coles Supermarkets are currently running a promotion till Sunday 31st October 2010. When you shop at Coles you are eligible for a voucher every time you spend \$10.
