Week 6 Term 4 Tuesday November 15th 2011

Dear Parents and Friends,

Last Thursday members of the NSW Rural Fire Service visited our school to conduct fire safety lessons with all students. Read Flynt's recount of the visit:-

Fire Safety

Today at school the Rural Fire Brigade came and taught us things. They taught us "000", "Get Down Low and Go Go Go", "Stop, Drop, Cover, Roll".

The teachers names were Julie and Jim. We went into a smoke house and Julie filled it up with smoke and we had to crawl through it. You could not see in it and it was just like a real fire and when we got to the end Jim opened the door. In the smoke house it was exciting because you couldn't see and on the sides there was no padding. So it was very hard and I banged my arms on it. It really hurt so I had to pull myself out of it by grabbing the holes on the floor.

When we got out we got some things and went back into the classroom. The End
