

# Walla Walla Public School NEWSLETTER

*Today's* LEARNERS, *tomorrow's* LEADERS

**Paul Kelly Cup**

**Helen Duncan**  
PRINCIPAL

Congratulations to James, Bill and Harry who were integral members of the successful Walbundrie Small Schools football team, playing in the Albury Paul Kelly Cup. The team played in Albury last Friday and were placed 5th in the competition. Their final game against Trinity was a nail-biter, losing by a mere 2 points.

## **P&C**

### **Reminder-**

Donations of cakes, biscuits and slices required for **Show & Shine** on **Monday 10th June**.

## **Child Protection Lessons**

A warm welcome to Mitchell from Y-Australia who came to the school last week to teach our students the importance of safety.

Students participated in a range of activities focussed on building strong friendships and knowing who is in our network of trusted adults. Senior students were engaged in learning about the United Nations Declaration of a Child. Our lesson today was focussed on recognising our body's natural warning signs and identifying safe and unsafe relationships.

Walla Walla Public School

» FROM OUR PRINCIPAL

### Astronomy Evening

Walla Walla Public School and their supportive P & C will host a community evening at the school on Wednesday June 26th commencing at 6.00pm. The Astronomical Society of Albury have kindly offered to set up their telescopes and allow us to view the constellations. The P & C will provide a light supper for all guests. Please write this date in your diary as it will be a fantastic opportunity to get together as a school community.

### External Validation

Each year the Department of Education chooses schools in NSW to undergo an External Validation process. This involves the school self-assessing its delivery of excellence against 14 elements identified in successful schools.

The staff will be very busy gathering sets of evidence for each element of the School Excellence Framework in preparation for a team visiting the school in Term 3 to view. After analysing the data, the school will have a clear and transparent understanding of how to move forward in Planning for the 2020—2022 School Plan. We look forward to sharing the findings with the school community later in the year.

### Changes around the School

The school continues to move forward with the arrival of new furniture in the foyer this week. This along with painting and new carpet is aimed at ensuring a warm welcome to our school's visitors.

We have also had several trees removed from the oval area which were deemed unsafe and this has been a huge improvement. Ongoing work to many trees, in the form of pruning, will occur in the school holidays to ensure that our vegetation remains safe and healthy for years to come.

**Show  
Shine**

and

Mrs Cathy Odewahn and the P & C are working very hard to raise money at the Show and Shine this coming Monday 10th June. There will be a cake stall at the sports ground with all funds going to support our students. Parents are asked to make donations of cakes, biscuits and slices to sell on the day. Labels for the ingredient lists are available from the school office. Donations can be brought to the Recreation Ground on Monday from 7.00am or to Cathy on Sunday. If you are unable to bake for the cake stall a donation of ingredients such as flour, sugar, cocoa, choc chips etc can be left at the school to be picked up on Friday.

A huge thank you to everyone who is assisting in this fundraising community event.

### Parent Teacher Interviews

Teachers are in the process of writing student reports which will be sent home at the end of Week 9.

During Week 10 we would like to have interviews with all parents to discuss their child's learning progress. We would like to change the format of these meetings to be led by the students. We will work with students prior to these meetings so that they can take a lead role in discussing their progress and areas of need with you. We feel that this is an important step for the students to encourage them to take ownership of their learning.

### **Reminder-**

Donations of cakes, biscuits and slices required for **Show & Shine** on **Monday 10th June**.

## **Child Protection Lessons**

A warm welcome to Mitchell from Y-Australia who came to the school last week to teach our students the importance of safety.

Students participated in a range of activities focussed on building strong friendships and knowing who is in our network of trusted adults. Senior students were engaged in learning about the United Nations Declaration of a Child. Our lesson today was focussed on recognising our body's natural warning signs and identifying safe and unsafe relationships.

Walla Walla Public School

» FROM OUR PRINCIPAL

### Astronomy Evening

Walla Walla Public School and their supportive P & C will host a community evening at the school on Wednesday June 26th commencing at 6.00pm. The Astronomical Society of Albury have kindly offered to set up their telescopes and allow us to view the constellations. The P & C will provide a light supper for all guests. Please write this date in your diary as it will be a fantastic opportunity to get together as a school community.

### External Validation

Each year the Department of Education chooses schools in NSW to undergo an External Validation process. This involves the school self-assessing its delivery of excellence against 14 elements identified in successful schools.

The staff will be very busy gathering sets of evidence for each element of the School Excellence Framework in preparation for a team visiting the school in Term 3 to view. After analysing the data, the school will have a clear and transparent understanding of how to move forward in Planning for the 2020—2022 School Plan. We look forward to sharing the findings with the school community later in the year.

### Changes around the School

The school continues to move forward with the arrival of new furniture in the foyer this week. This along with painting and new carpet is aimed at ensuring a warm welcome to our school's visitors.

We have also had several trees removed from the oval area which were deemed unsafe and this has been a huge improvement. Ongoing work to many trees, in the form of pruning, will occur in the school holidays to ensure that our vegetation remains safe and healthy for years to come.

**Show  
Shine**

and

Mrs Cathy Odewahn and the P & C are working very hard to raise money at the Show and Shine this coming Monday 10th June. There will be a cake stall at the sports ground with all funds going to support our students. Parents are asked to make donations of cakes, biscuits and slices to sell on the day. Labels for the ingredient lists are available from the school office. Donations can be brought to the Recreation Ground on Monday from 7.00am or to Cathy on Sunday. If you are unable to bake for the cake stall a donation of ingredients such as flour, sugar, cocoa, choc chips etc can be left at the school to be picked up on Friday.

A huge thank you to everyone who is assisting in this fundraising community event.

### Parent Teacher Interviews

Teachers are in the process of writing student reports which will be sent home at the end of Week 9.

During Week 10 we would like to have interviews with all parents to discuss their child's learning progress. We would like to change the format of these meetings to be led by the students. We will work with students prior to these meetings so that they can take a lead role in discussing their progress and areas of need with you. We feel that this is an important step for the students to encourage them to take ownership of their learning.

# Walla Walla Public School NEWSLETTER

Walla Walla Public School

» FROM OUR PRINCIPAL

### Astronomy Evening

Walla Walla Public School and their supportive P & C will host a community evening at the school on Wednesday June 26th commencing at 6.00pm. The Astronomical Society of Albury have kindly offered to set up their telescopes and allow us to view the constellations. The P & C will provide a light supper for all guests. Please write this date in your diary as it will be a fantastic opportunity to get together as a school community.

### External Validation

Each year the Department of Education chooses schools in NSW to undergo an External Validation process. This involves the school self-assessing its delivery of excellence against 14 elements identified in successful schools.

The staff will be very busy gathering sets of evidence for each element of the School Excellence Framework in preparation for a team visiting the school in Term 3 to view. After analysing the data, the school will have a clear and transparent understanding of how to move forward in Planning for the 2020—2022 School Plan. We look forward to sharing the findings with the school community later in the year.

### Changes around the School

The school continues to move forward with the arrival of new furniture in the foyer this week. This along with painting and new carpet is aimed at ensuring a warm welcome to our school's visitors.

We have also had several trees removed from the oval area which were deemed unsafe and this has been a huge improvement. Ongoing work to many trees, in the form of pruning, will occur in the school holidays to ensure that our vegetation remains safe and healthy for years to come.

**Show  
Shine**

and

Mrs Cathy Odewahn and the P & C are working very hard to raise money at the Show and Shine this coming Monday 10th June. There will be a cake stall at the sports ground with all funds going to support our students. Parents are asked to make donations of cakes, biscuits and slices to sell on the day. Labels for the ingredient lists are available from the school office. Donations can be brought to the Recreation Ground on Monday from 7.00am or to Cathy on Sunday. If you are unable to bake for the cake stall a donation of ingredients such as flour, sugar, cocoa, choc chips etc can be left at the school to be picked up on Friday.

A huge thank you to everyone who is assisting in this fundraising community event.

### Parent Teacher Interviews

Teachers are in the process of writing student reports which will be sent home at the end of Week 9.

During Week 10 we would like to have interviews with all parents to discuss their child's learning progress. We would like to change the format of these meetings to be led by the students. We will work with students prior to these meetings so that they can take a lead role in discussing their progress and areas of need with you. We feel that this is an important step for the students to encourage them to take ownership of their learning.

# Walla Walla Public School NEWSLETTER

*Today's* **LEARNERS**, *tomorrow's* **LEADERS**

**Paul Kelly Cup**

**Helen Duncan**  
**PRINCIPAL**

Congratulations to James, Bill and Harry who were integral members of the successful Walbundrie Small Schools football team, playing in the Albury Paul Kelly Cup. The team played in Albury last Friday and were placed 5th in the competition. Their final game against Trinity was a nail-biter, losing by a mere 2 points.

## **P&C**

### **Reminder-**

Donations of cakes, biscuits and slices required for **Show & Shine** on **Monday 10th June**.

## **Child Protection Lessons**

A warm welcome to Mitchell from Y-Australia who came to the school last week to teach our students the importance of safety.

Students participated in a range of activities focussed on building strong friendships and knowing who is in our network of trusted adults. Senior students were engaged in learning about the United Nations Declaration of a Child. Our lesson today was focussed on recognising our body's natural warning signs and identifying safe and unsafe relationships.

Walla Walla Public School

» FROM OUR PRINCIPAL

### Astronomy Evening

Walla Walla Public School and their supportive P & C will host a community evening at the school on Wednesday June 26th commencing at 6.00pm. The Astronomical Society of Albury have kindly offered to set up their telescopes and allow us to view the constellations. The P & C will provide a light supper for all guests. Please write this date in your diary as it will be a fantastic opportunity to get together as a school community.

### External Validation

Each year the Department of Education chooses schools in NSW to undergo an External Validation process. This involves the school self-assessing its delivery of excellence against 14 elements identified in successful schools.

The staff will be very busy gathering sets of evidence for each element of the School Excellence Framework in preparation for a team visiting the school in Term 3 to view. After analysing the data, the school will have a clear and transparent understanding of how to move forward in Planning for the 2020—2022 School Plan. We look forward to sharing the findings with the school community later in the year.

### Changes around the School

The school continues to move forward with the arrival of new furniture in the foyer this week. This along with painting and new carpet is aimed at ensuring a warm welcome to our school's visitors.

We have also had several trees removed from the oval area which were deemed unsafe and this has been a huge improvement. Ongoing work to many trees, in the form of pruning, will occur in the school holidays to ensure that our vegetation remains safe and healthy for years to come.

**Show  
Shine**

and

Mrs Cathy Odewahn and the P & C are working very hard to raise money at the Show and Shine this coming Monday 10th June. There will be a cake stall at the sports ground with all funds going to support our students. Parents are asked to make donations of cakes, biscuits and slices to sell on the day. Labels for the ingredient lists are available from the school office. Donations can be brought to the Recreation Ground on Monday from 7.00am or to Cathy on Sunday. If you are unable to bake for the cake stall a donation of ingredients such as flour, sugar, cocoa, choc chips etc can be left at the school to be picked up on Friday.

A huge thank you to everyone who is assisting in this fundraising community event.

### Parent Teacher Interviews

Teachers are in the process of writing student reports which will be sent home at the end of Week 9.

During Week 10 we would like to have interviews with all parents to discuss their child's learning progress. We would like to change the format of these meetings to be led by the students. We will work with students prior to these meetings so that they can take a lead role in discussing their progress and areas of need with you. We feel that this is an important step for the students to encourage them to take ownership of their learning.

# Walla Walla Public School NEWSLETTER

*Today's* **LEARNERS**, *tomorrow's* **LEADERS**

**Paul Kelly Cup**

**Helen Duncan**  
**PRINCIPAL**

Congratulations to James, Bill and Harry who were integral members of the successful Walbundrie Small Schools football team, playing in the Albury Paul Kelly Cup. The team played in Albury last Friday and were placed 5th in the competition. Their final game against Trinity was a nail-biter, losing by a mere 2 points.

## **P&C**

### **Reminder-**

Donations of cakes, biscuits and slices required for **Show & Shine** on **Monday 10th June**.

## **Child Protection Lessons**

A warm welcome to Mitchell from Y-Australia who came to the school last week to teach our students the importance of safety.

Students participated in a range of activities focussed on building strong friendships and knowing who is in our network of trusted adults. Senior students were engaged in learning about the United Nations Declaration of a Child. Our lesson today was focussed on recognising our body's natural warning signs and identifying safe and unsafe relationships.

Walla Walla Public School

» FROM OUR PRINCIPAL

### Astronomy Evening

Walla Walla Public School and their supportive P & C will host a community evening at the school on Wednesday June 26th commencing at 6.00pm. The Astronomical Society of Albury have kindly offered to set up their telescopes and allow us to view the constellations. The P & C will provide a light supper for all guests. Please write this date in your diary as it will be a fantastic opportunity to get together as a school community.

### External Validation

Each year the Department of Education chooses schools in NSW to undergo an External Validation process. This involves the school self-assessing its delivery of excellence against 14 elements identified in successful schools.

The staff will be very busy gathering sets of evidence for each element of the School Excellence Framework in preparation for a team visiting the school in Term 3 to view. After analysing the data, the school will have a clear and transparent understanding of how to move forward in Planning for the 2020—2022 School Plan. We look forward to sharing the findings with the school community later in the year.

### Changes around the School

The school continues to move forward with the arrival of new furniture in the foyer this week. This along with painting and new carpet is aimed at ensuring a warm welcome to our school's visitors.

We have also had several trees removed from the oval area which were deemed unsafe and this has been a huge improvement. Ongoing work to many trees, in the form of pruning, will occur in the school holidays to ensure that our vegetation remains safe and healthy for years to come.

**Show  
Shine**

and

Mrs Cathy Odewahn and the P & C are working very hard to raise money at the Show and Shine this coming Monday 10th June. There will be a cake stall at the sports ground with all funds going to support our students. Parents are asked to make donations of cakes, biscuits and slices to sell on the day. Labels for the ingredient lists are available from the school office. Donations can be brought to the Recreation Ground on Monday from 7.00am or to Cathy on Sunday. If you are unable to bake for the cake stall a donation of ingredients such as flour, sugar, cocoa, choc chips etc can be left at the school to be picked up on Friday.

A huge thank you to everyone who is assisting in this fundraising community event.

### Parent Teacher Interviews

Teachers are in the process of writing student reports which will be sent home at the end of Week 9.

During Week 10 we would like to have interviews with all parents to discuss their child's learning progress. We would like to change the format of these meetings to be led by the students. We will work with students prior to these meetings so that they can take a lead role in discussing their progress and areas of need with you. We feel that this is an important step for the students to encourage them to take ownership of their learning.

# Walla Walla Public School NEWSLETTER

*Today's* **LEARNERS**, *tomorrow's* **LEADERS**

**Paul Kelly Cup**

**Helen Duncan**  
**PRINCIPAL**

Congratulations to James, Bill and Harry who were integral members of the successful Walbundrie Small Schools football team, playing in the Albury Paul Kelly Cup. The team played in Albury last Friday and were placed 5th in the competition. Their final game against Trinity was a nail-biter, losing by a mere 2 points.

## **P&C**

### **Reminder-**

Donations of cakes, biscuits and slices required for **Show & Shine** on **Monday 10th June**.

## **Child Protection Lessons**

A warm welcome to Mitchell from Y-Australia who came to the school last week to teach our students the importance of safety.

Students participated in a range of activities focussed on building strong friendships and knowing who is in our network of trusted adults. Senior students were engaged in learning about the United Nations Declaration of a Child. Our lesson today was focussed on recognising our body's natural warning signs and identifying safe and unsafe relationships.

### Astronomy Evening

Walla Walla Public School and their supportive P & C will host a community evening at the school on Wednesday June 26th commencing at 6.00pm. The Astronomical Society of Albury have kindly offered to set up their telescopes and allow us to view the constellations. The P & C will provide a light supper for all guests. Please write this date in your diary as it will be a fantastic opportunity to get together as a school community.

### External Validation

Each year the Department of Education chooses schools in NSW to undergo an External Validation process. This involves the school self-assessing its delivery of excellence against 14 elements identified in successful schools.

The staff will be very busy gathering sets of evidence for each element of the School Excellence Framework in preparation for a team visiting the school in Term 3 to view. After analysing the data, the school will have a clear and transparent understanding of how to move forward in Planning for the 2020—2022 School Plan. We look forward to sharing the findings with the school community later in the year.

### Changes around the School

The school continues to move forward with the arrival of new furniture in the foyer this week. This along with painting and new carpet is aimed at ensuring a warm welcome to our school's visitors.

We have also had several trees removed from the oval area which were deemed unsafe and this has been a huge improvement. Ongoing work to many trees, in the form of pruning, will occur in the school holidays to ensure that our vegetation remains safe and healthy for years to come.

**Show  
Shine**

and

Mrs Cathy Odewahn and the P & C are working very hard to raise money at the Show and Shine this coming Monday 10th June. There will be a cake stall at the sports ground with all funds going to support our students. Parents are asked to make donations of cakes, biscuits and slices to sell on the day. Labels for the ingredient lists are available from the school office. Donations can be brought to the Recreation Ground on Monday from 7.00am or to Cathy on Sunday. If you are unable to bake for the cake stall a donation of ingredients such as flour, sugar, cocoa, choc chips etc can be left at the school to be picked up on Friday.

A huge thank you to everyone who is assisting in this fundraising community event.

### Parent Teacher Interviews

Teachers are in the process of writing student reports which will be sent home at the end of Week 9.

During Week 10 we would like to have interviews with all parents to discuss their child's learning progress. We would like to change the format of these meetings to be led by the students. We will work with students prior to these meetings so that they can take a lead role in discussing their progress and areas of need with you. We feel that this is an important step for the students to encourage them to take ownership of their learning.

# Walla Walla Public School NEWSLETTER

*Today's* **LEARNERS**, *tomorrow's* **LEADERS**

**Paul Kelly Cup**

**Helen Duncan**  
**PRINCIPAL**

Congratulations to James, Bill and Harry who were integral members of the successful Walbundrie Small Schools football team, playing in the Albury Paul Kelly Cup. The team played in Albury last Friday and were placed 5th in the competition. Their final game against Trinity was a nail-biter, losing by a mere 2 points.

## **P&C**

### **Reminder-**

Donations of cakes, biscuits and slices required for **Show & Shine** on **Monday 10th June**.

## **Child Protection Lessons**

A warm welcome to Mitchell from Y-Australia who came to the school last week to teach our students the importance of safety.

Students participated in a range of activities focussed on building strong friendships and knowing who is in our network of trusted adults. Senior students were engaged in learning about the United Nations Declaration of a Child. Our lesson today was focussed on recognising our body's natural warning signs and identifying safe and unsafe relationships.
