

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the "[I Work for NSW](#)" website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

Address: 21 Commercial St, Walla Walla NSW 2659 **Phone:** (02) 6029 2253 **Fax:** (02) 6029 2162

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School

NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the "[I Work for NSW](#)" website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the "[I Work for NSW](#)" website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Success and Opportunities

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the "I Work for NSW" website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

Helen Duncan
PRINCIPAL

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

Address: 21 Commercial St, Walla Walla NSW 2659 **Phone:** (02) 6029 2253 **Fax:** (02) 6029 2162

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the "[I Work for NSW](#)" website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the *"I Work for NSW"* website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

PRINCIPAL

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the "I Work for NSW" website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.

Shelley

Walla Walla Public School NEWSLETTER

Today's LEARNERS, *tomorrow's* LEADERS

Riverina Cross-country

The Southern Riverina team competed in the Riverina PSSA Cross-country in Gundagai last Thursday 13th June. A good number of students were from Walla Walla Public School including Bill, Emily and Adelaide Phegan and Evie and Elka Torrens. Everyone placed well, Evie and Elka both came 8th in their age group and are reserves for the NSW State carnival to be held in Sydney next term

High School Musical

Students and staff are looking forward to the St Paul's stage performance of High School Musical tomorrow. The show begins at 10.30am and concludes at 12.30pm. Students are to bring recess, lunch and a bottle of water for this excursion. We will be walking to St Paul's College, however, if it is raining we will catch a bus to and from the venue. We thank Lieschke's Bus Service for providing us with this transport at no extra cost. Please ensure that all permission notes and money have been returned.

Upcoming EVENTS

WAW School Banking:

Every Monday

June 20: HS Musical Performance

June 26: Astronomy Evening

June 28th: SR PSSA Athletics Carnival

Success and Opportunities

GA Position

We currently have a permanent part-time

General Assistant's position available at the school. This position has been advertised at the "[I Work for NSW](#)" website.

Our General Assistant works 8 hours and 44 minutes per week and carries out small maintenance work and general grounds keeping duties. If you have any questions relating to the position, please contact the school.

PRINCIPAL

School Stream

As discussed at the P&C meeting, we are endeavouring to move our newsletter to a digital platform like Microsoft Sway rather than using Microsoft Publisher. The advantage of this upgrade is to have access to better quality photos and include links to extra information within the newsletter. Not only will we save on the cost of printing, but we can ensure that the newsletter is sent directly to everyone's mobile phone through the School Stream App. Parents will have access to the information at all times through the App. As a trial in Term 3, we will have both a printed paper copy and a digital copy available. At the end of the trial phase, we will ask parents for feedback. In order to start receiving notifications, please download the School Stream App onto your phone and look up Walla Walla Public School. This is a free App available on both Android and Apple phones.

Address: 21 Commercial St, Walla Walla NSW 2659 **Phone:** (02) 6029 2253 **Fax:** (02) 6029 2162

» FROM OUR PRINCIPAL

An Astronomical Evening!

Families and community members are invited to the school on Wednesday 26th June for an evening together. We will showcase our Walbundrie Small School's technology, have a viewing of the stars through the Albury Astronomical Society's high powered telescopes and have a discussion about space. This will be followed by a light supper provided by the P&C. The evening will commence at 6pm. Families are asked to bring a plate of cake or slices to share after the main course of soup is served. If you are able to assist the P&C by serving and washing up, please speak to either Kathie LeBusque or Shelley Schilg. Please remember to rug-up as we will be outside under the cola area.

Morning Supervision for Students

Parents are asked to refrain from sending their children to school before the 9.00am bell. Supervision of students is not provided before this time, unless your child travels to school via bus. Only in extenuating circumstances can we allow for students to arrive early for reasons such as medical appointments in Albury or work commitments. Please contact the school and discuss the arrangement prior to dropping children off early. Procedures for student supervision before school are set by the Department of Education and are followed as part of the school's legal requirements. Your co-operation in this matter is appreciated.

Head lice

In order for us to control the recent outbreak of head lice in our school, we ask that each child be checked daily as part of the family's routine in the evening. We have had a number of cases reported recently and as you may be aware treating the condition can be very time consuming and the cause of tension for a family. Unfortunately, some families have had to treat several times in recent weeks and are understandably becoming frustrated with the situation. All students with long hair are asked to wear their hair tied back and store beanies in their school bag as a prevention measure.

Up-coming Expenses for Term 3 and Term 4

We wish to advise parents about the pending excursions that have been planned for Term 3 and Term 4 so that families can begin to prepare for this. Our **Swim School** program will run next term for all students from Year 2 to Year 6. The P&C have generously covered the cost of transport for the 10 days which halves the price of the program for students. Last year the program cost \$55.00 for the 10 days and it will be a similar price again this year.

Year 3 and Year 4 students have an overnight excursion to Melbourne next term in Week 9. The cost of this excursion will be approximately \$320.00.

The Year 5 and 6 students will have a two night excursion to Ballarat in Term 4. This will cost approximately \$360.00 per student. Both of these prices have been reduced by \$40.00 per student as they are subsidised by the P&C and the school.

If you have any concerns or have difficulty in meeting these costs, please contact the school to make a suitable arrangement.

School Assembly

The next K-6 Assembly will be held on Tuesday 25th June at 2.45pm.

P&C News

Thank you to everyone who came to the P&C meeting on Monday . Our next P&C meeting is the 19th August @ 7 pm. Everyone is more than welcome to attend. Apologies to Shelley 0428290362.

A huge thank you to Cathy Odewahn and everyone else who made a contribution to our Cake Stall at the Walla Show & Shine. We made \$729.50 which is just fantastic. Thank you also to Kelly, Di, Jenny, Karla, Karen & Cathy for all their help in selling our cakes, also a big thank you must go out to Monica Simpfendorfer and Dorothy Cremer for their contributions to our School's Cake Stall.

Next Wednesday June 26th the School is holding an astronomy night. The P&C are putting on a light supper. Soup with a bread roll, party pies & sausage rolls , zucchini slice, slices to have with a cuppa.

Please if anyone is available to make something, or bring a plate to share, or happy to purchase a box of party pies and sausage rolls that would be really helpful. Could you please either let myself Shelley 0428290362 or Karla 0448260068 know what you are happy to make or purchase, just so we can see what we have and don't have. Thank you.

We are also catering next Friday Night at the Walla Bowling Club. This is our Casserole night. So if anyone has a lovely Casserole they could make, that would be very much appreciated. Please either let myself Shelley 0428290362 or Karla 0448260068 know if you are making a casserole or coming to help on the night, that would be great.

Meals start from 6:30pm, so bring your Family & Friends along for some heart warming yummy casseroles.

Lastly the P&C would like to thank those parents or community members who have made a contribution this term. We are all very grateful for your contributions in helping our School Children in their education.

I hope everyone enjoys the holidays. Stay safe and we will see you all in Term 3.
